

Sales Kickoff

Wondering what to do to make the event different, exciting, interactive, and motivational ?

i2i Keynote Solutions have a reputation for delivering world class keynote sessions that are entertaining, interactive, and relevant to our customers' business.

We have delivered keynote sessions at Sales kickoffs, Marketing events & Product launches around the world for major global companies.

In February 2008 i2i participated in the Draeger Safety USA kickoff meeting in Florida - where we also provided the band for the evening dinner.

"You guys were awesome... and what a great band too"
